I'm done, but having Vicki (program manager) read it once through. 5 minutes.

Yes, I will review now. Did you work off of Tom's version or do his edits need to be incorporated? Great, you got in touch with Samantha.

I will send something back to you asap.

Hi Grace,

We made a couple of small changes one of which was referencing the table on page 2 at the end of the third paragraph. Do you mind taking a look at this again to make sure there's no typos etc. and then I will send it to Romell at EPA headquarters?

By the way, Samantha and clean water fund is back from vacation and give me a call this morning. I gave her a brief update on what we're doing and then said we will be in touch after we hear back from EPA HQ.

Thanks again,

Best,

Erica

Thanks Tom!

Erica, I can combine Tom and Sam (once we receive them) edits and send that draft back to you for final review. Sound good?

Thanks everyone!
